#### REGULATIONS

The 15th June, 1977

**No. 950-2FRII-77/17200.**—In exercise of the powers conferred by clause (2) of article 283 of the Constitution of India, and all other powers enabling him in this behalf, the President of India hereby makes the following rules further to amend the Punjab Financial Rules, Volume I, in their application to the State of Haryana, namely:—

1. These rules may be called the Punjab Financial Volume I (Haryana Fifth Amendment) Rules, 1977.
2. In the Punjab Financial Rules, Volume I, for rule 5.3, the following rule shall be substituted, namely:—

“5.3. (1) Pay and allowances of all kinds or pensions claimed on behalf of a deceased Government servant may be paid without production of the usual legal authority—

- (a) if the gross amount of the claim does not exceed Rs 5,000 under order of the Head of the Office, in which the Government servant was employed at the time of his death, provided that the Head of the Office is otherwise satisfied about the right and title of the claimant; and
- (b) if the gross amount of the claim exceeds Rs 5,000 under orders of the Department of the Government or of the Head of Department or the Administrator, or of any officer of that Department declared as Head of Department, as the case may be, on execution of an indemnity bond in P.F.R. form 4 duly stamped for the gross amount due for payment, with such sureties, as may be deemed necessary:

Provided that the authority mentioned in clause (a) above may, subject to the condition prescribed in that clause, make anticipatory payment of an amount not exceeding Rs 5,000 in respect of higher claims as well.

**Notes.**—1. The Head of Department here means a Head of Department as defined in rule 1.23 of Punjab Financial Rules, Volume I.

2. Normally there should be two sureties, both of known financial stability, unless the gross amount of the claim is less than Rs 7,500 in which case the authority accepting the indemnity bond in P.F.R. form 4 for on behalf of the Governor should decide, on the merits of each case, whether to accept only one surety instead of two.

3. The obliger as well as the sureties executing the indemnity bond should have attained majority so that the bond may have legal effect or force. The bond is also required to be executed on behalf of the Governor by an Officer duly authorised under article 299(I) of the Constitution.

(2) In case of any doubt payment shall be made only to the person(s) producing the legal authority.

(3) The procedure to be followed in regard to the preferring, withdrawal and disbursement of claims of deceased Government servants to their rightful claimants will be as under:—

On receipt of the claim for payment of arrears of pay and allowances or pension on behalf of a deceased Government servant from his/her/heirs, the Head of the Office in which the Government servant was last employed should draw the amount in the appropriate bill form from the treasury. The claims should be supported by all the relevant certificates which the Head of the office is required to furnish in the normal circumstances. However, in respect of the certificates which solely depend on the personal knowledge of the Government servant, and which obviously cannot be furnished by the Head of the office, the Head of office should record if he is satisfied about the correctness of the claim and furnish a certificate to the effect that the claim is not susceptible of verification but is considered reasonable.

In the case of Gazetted Officers, the Head of the office has to satisfy himself by reference to the Accountant-General, the departmental authorities concerned, if any, and his own records that there are no demands outstanding against the deceased Government servant. In the case of other Government servants payments may be made without reference to the Accountant-General, on the responsibility of the Head of Office concerned. The amount should be disbursed to the claimant/claimants by the Head of the office of his own where the gross amount of the claim does not exceed Rs 5,000 in terms of sub-rule 1(a) and under orders of higher authorities if the gross amount of the claim exceeds Rs 5,000 as mentioned in sub-rule (1)(b). A formal stamped receipt, where necessary, should be obtained from the claimant(s).

*Note.*—The procedure prescribed in this rule shall apply to any claim for payment of dues or honorarium payable to deceased non-officials, including deceased non-official members of any Commission/Committee, whether statutory or not ; as it applies to the claim for payment of pay and allowances of a deceased Government-servant.

- (4) Any person claiming as the heir of a deceased pensioner, shall be required to produce the pensioners portion of the Pension Payment Order, or if no Pension Payment Order has been issued, the copy of the order in which sanction to the pension was communicated to the pensioner or his heir".

14/4 Mathura Road, Faridabad.

present—

Shri Pasham Singh, for the workman.

Nemo for the management.

## AWARD

By order No. ID/ED/808-A-76/20327, dated 15th June, 1977, the Governor of Haryana, referred the following dispute between the management of M/s Janta Steel and Metal Co-operative Society, 14/4 Mathura Road, Faridabad and its workman Shri Maheshwar Dass to this Tribunal, for adjudication, in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947

Whether the termination of services of Shri Maheshwar Dass was justified and in order? If not, to what relief is he entitled?

On receipt of the reference, notices were issued to the parties for 30th July, 1976. Notice could not be served on the management. Shri Pasham Singh representative appeared for the workman. Again notices were sent to the management for 15th October, 1976. On the notice for 15th October, 1976, there appears signatures of some persons but this notice did not bear the seal of the management nor it was certain as to who has signed the receipt of this notice. Therefore, notices were again sent to the management for 12th November, 1976. The process server reached the management for service of notice on 9th November, 1976. The process server reported that the management refused to receive the notice, telling him that he was coming from the side of some workers and was not coming from the Industrial Tribunal. The management did not receive the notice, although the notice was from the Presiding Officer, Industrial Tribunal, Haryana, Faridabad. It seems that the management did not care to receive the notice. What failed them to see on the notice as to from whom the notice was issued. It seems that they intentionally evaded service. But keeping in view the ends of justice notice was again sent to the management by registered A.D. for 22nd December, 1976. Although the acknowledgement due from is not on the file but the record shows that the notice by registered post was sent to the management.

In these circumstances, service of notice on the management was sufficient. Firstly the management evaded service of notice by taking a false excuse that the process server was not a process server of this Tribunal. Not only this they refused and did not receive the notice. It was incumbent on them to receive the notice and read it. How could they refuse to receive the notice without reading the contents of the notice and seeing it. It was also not proper and legal on the part of the management not to receive the notice. But this Tribunal thereafter again sent a notice by registered post and the management even did not appear on the date fixed. Therefore, the management was proceeded against *ex parte* and the case was fixed for the evidence of the workman on 14th January, 1977. On 14th January, 1977 the workman was ill and the case was adjourned for his evidence to 11th March, 1977. On 11th March, 1977 the workman examined himself as W.W.1. He stated that he was working with the management as a Fitter for the last two years at a monthly rate of Rs. 183/ and the management terminated his services on and from 1st March, 1976 without any reason. He further stated that he wrote to the Labour Inspector who advised him to give a demand notice to the management. The workman thereupon sent a demand notice to the management Exhibit W-1 and copies thereof to the Conciliation Officer Exhibit W-2 but the management did not appear there also. After discussing the facts of the case and the default in appearance by the management I find that management had terminated the services of the workman concerned unjustifiably. I, therefore, give my award that the termination of services of Shri Maheshwar Dass was not justified and in order. He is entitled to reinstatement with continuity of service. As far as back wages are concerned, the workman has not stated that he had not been gainfully employed elsewhere. I, therefore, further award that the workman is not entitled to back wages.

The 22nd June, 1977.
